

THE ABERDEEN HALL GRYPHONS BASKETBALL CENTRE OF EXCELLENCE

Run in partnership with Goodwin Hoops and led by Program Director Mitch Goodwin, this Canada Basketball Verified program offers Kelowna’s middle and high school athletes a premier training pipeline. Younger players focus on mastering core mechanics, proper shooting form, and court confidence, while high school athletes elevate their game with advanced offensive creation, explosive finishing, and high-pressure decision-making. Through structured gameplay scaling from 1v1 up to full-court 5v5 scrimmages, drills directly translate to real-game success. It’s a safe, elite, and proven environment built to develop sharp basketball IQ and a lifelong love for the game.
