TEACHING EXCELLENCE

HEAD OF SCHOOL WELCOME

Aberdeen Hall Preparatory School's primary objective is to prepare students to lead balanced, happy and productive lives, both with their post secondary experiences, and in life. Our curriculum is delivered by talented and dedicated teachers and is carefully designed to deliver an enriched and personal experience.

'Teaching Excellence' has been our school's motto since the very beginning. It can be interpreted in two ways, and we embrace both connotations.

Our quality of teaching is excellent.

Year after year, our student and parent satisfaction surveys recognize the high quality of teaching as Aberdeen Hall's greatest strength. Through a personalized approach, our educators learn to understand the various needs of our students, and meet these needs with a vibrant and engaging curriculum. From best practice numeracy and literacy programs in the early years to advanced placement courses in the High School, our teachers facilitate a consistently high level of learning.

Aberdeen Hall faculty and students strive to be excellent.

Our commitment to constant improvement creates a learning 'value system' that will serve our students well as they venture off to university and into life. With a balanced focus on academics, character development, arts, physical and emotional wellness, our faculty and students work very well together and continually strive for improvement.

We partner with families to create an amazing community.

The Aberdeen Hall experience goes beyond the provision of excellent student services. It includes a unique partnership with families which creates a warm and caring environment. This includes consistent and clear communication with families and many opportunities to connect.

Our community feeling can best be appreciated by visiting our beautiful new campus and meeting our welcoming teachers and staff. You will find friendly smiles from everyone you meet because

we care about and value every member of our community. We will take the time to get to know you and create a lasting friendship.

Connect first, teach second.

We understand that the first step towards personal growth and learning is the establishment of meaningful human connections. These positive connections create an incredible pathway for learning.

Future focussed, the leaders of tomorrow.

In addition to seeing the student in front of us, we envision the individual that student will become in the future, and for them to understand their place in the world.

I encourage you to visit our school and to discover for yourself the unique qualities of Aberdeen Hall. We look forward to seeing you.

Warm regards,

Chris Grieve
Head of School

PRESCHOOL INSTRUCTIONS

The school uniform for Preschool students consists of navy and white. Students may wear navy shorts or navy pants. As well, the girls may wear navy skorts or the school plaid tunic. Navy ankle socks are worn with the pants and shorts and navy knee high socks or tights are worn with the skorts and tunics. In addition, they wear a white or navy top (which can be a crested polo shirt) with the option of wearing a school crested cardigan. Unless purchasing a crested item, all other items may be purchased from a store of your choice.

A substantial shoe is required for outdoor play, this may be the shoes worn to school and runners are preferred. For class time, each child needs to have a pair of black indoor shoes that are light-weight and easy to put on. Rubber soled, canvas slip-on runners are the best and will serve as “gym shoes” as well.

A change of uniform coloured clothing, labelled in a plastic bag can be kept at school.
