TEACHING EXCELLENCE

HEAD OF SCHOOL WELCOME

TEACHING EXCELLENCE

Welcome to Aberdeen Hall.

Aberdeen Hall Preparatory School is a place where students are prepared to lead balanced, happy, and meaningful lives, both during their time with us and far beyond graduation. Our curriculum is thoughtfully designed and delivered by talented, dedicated educators who believe in the power of connection, academic excellence, and personalized learning.

Since our inception, 'Teaching Excellence' has been more than a motto - it's a commitment we live by in two meaningful ways:

Our teaching is excellent.

Time and again, parent and student feedback highlights the exceptional quality of teaching as one of Aberdeen Hall's greatest strengths. Whether it's best-practice literacy and numeracy instruction in the early years or Advanced Placement courses at the senior level, our educators deliver a vibrant, relevant, and engaging learning experience designed to bring out the best in every student.

Our students and educators strive for excellence.

We believe excellence is a mindset, rooted in effort, resilience, and continuous growth. With a strong focus on academics, character development, arts, and physical and emotional wellness, our school fosters a culture where students and faculty alike pursue ongoing improvement with energy and purpose.

We partner with families to build something exceptional.

Aberdeen Hall is more than a school, it's a community built on strong relationships between staff, students, and families. We value open communication, shared values, and a warm, inclusive environment that supports every student's journey.

Connect first, teach second.

We believe that strong relationships are the foundation for meaningful learning. When students feel known and supported, they are empowered to take intellectual risks and grow with confidence.

Future focused: the leaders of tomorrow.

We don't just see the student in front of us. We see who they are becoming, and we guide them to understand their unique place in the world. We are committed to preparing students not just for their next step, but for life.

This lookbook is designed to support our shared expectations around student dress and to showcase how our uniform program reflects the values of professionalism, community, and belonging.

Warm regards,

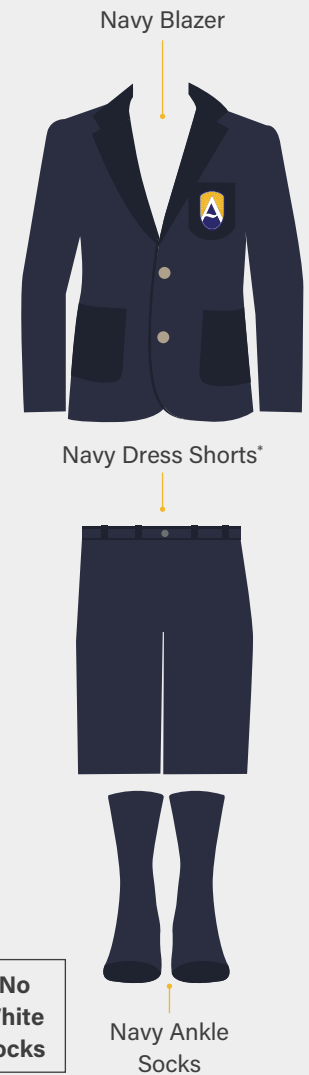

Chris Grieve

PRESCHOOL INSTRUCTIONS

The school uniform for Preschool students consists of navy and white. Students may wear navy shorts or navy pants. As well, the girls may wear navy skorts or the school plaid tunic. Navy ankle socks are worn with the pants and shorts and navy knee high socks or tights are worn with the skorts and tunics. In addition, they wear a white or navy top (which can be a crested polo shirt) with the option of wearing a school crested cardigan. Unless purchasing a crested item, all other items may be purchased from a store of your choice.

A substantial shoe is required for outdoor play, this may be the shoes worn to school and runners are preferred. For class time, each child needs to have a pair of black indoor shoes that are light-weight and easy to put on. Rubber soled, canvas slip-on runners are the best and will serve as “gym shoes” as well.

A change of uniform coloured clothing, labelled in a plastic bag can be kept at school.

JUNIOR SCHOOL INSTRUCTIONS
