

Dear Parents,

For the 2020- 2021 school year, students in Grade 5 are requested to have the following supplies for the first day of school. We have noticed that students in this grade generally prefer to make their own choices regarding supplies and they then care for their materials much more conscientiously. The school continues to supply all classroom art supplies, student agendas and all textbooks and workbooks. Grade 5 students need to provide the following:
